

REMARKS/ARGUMENTS

Favorable reconsideration of this application, as presently amended and in light of the following discussion, is respectfully requested.

Claims 1, 3-12, 14-17, 19-28 and 30-32 are pending in the present application. Claim 12 is amended by the present amendment to correct a minor informality noted in the Office Action. No new matter is presented.

In the Office Action, Claim 12 is rejected under 35 U.S.C. § 112, second paragraph, as indefinite, but would be allowable if amended to overcome this rejection; and Claims 1, 3-11, 14-17, 19-28 and 30-32 are indicated as allowable.

Applicants appreciatively acknowledge the indication of allowable subject matter.

As to the rejection of Claim 12 under 35 U.S.C. § 112, second paragraph, the Office Action notes that there is insufficient antecedent basis for the limitation “a unique identification of the external source”. In response, Claim 12 is amended to recite “a unique identification of an external source”.

Accordingly, Applicants respectfully request that the rejection of Claim 12 under 35 U.S.C. § 112, second paragraph, be withdrawn.

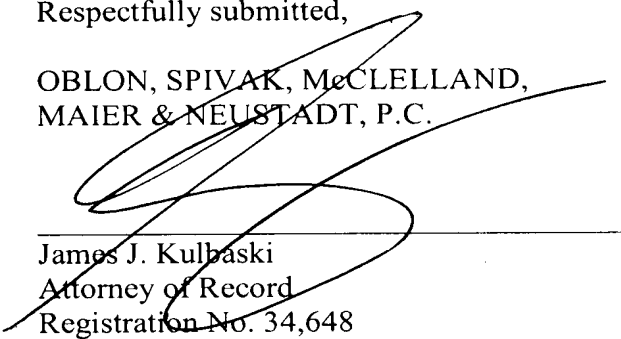

Consequently, for the reasons discussed above, no further issues are believed to be outstanding in the present application, and the present application is believed to be in condition for formal allowance. Therefore, a Notice of Allowance is earnestly solicited.
